Please state why you want to run for a seat on the PASD Board:

PASD has excellent CLE courses and professional events. It is one of the best professional groups I belong to and I truly get a lot out of being a member—whether it be from a professional development perspective or socializing with fellow probate attorneys in San Diego. I want to become more involved in PASD and contribute to its continued success.

In narrative form, please summarize your relevant experience and qualifications to serve on the PASD Board:

I have litigated many trust and estate matters over the last 12 years and believe I can contribute to the organization from the prospective of a litigator. I am a team player and work hard. I recently joined PASD's CA Conference of Bar Associations committee and attended the Conference in Sacramento to support Hilary Vrem and PASD's resolution 08-09-2017. I served on the ABTL Board of Directors for 3 years, where I helped organize and run the ABTL moot court competition between the San Diego law schools. I was also on the ABTL Leadership Development Committee where I helped organize lunch time CLE programs.

Please provide any other information you would like to provide to PASD members supporting your candidacy for the Board:

I have discussed the time commitment and overall duties involved in becoming a PASD Board Member with various current Board Members before I submitted this application. I am willing to put in the time and effort the organization requires to ensure its continued success.
