Please state why you want to run for a seat on the PASD Board:

PASD is a great organization and offers an important service to San Diego Probate Attorneys. I would be honored to be part of this organization's board. I have already been working on a PASD sub-committee (PASD Handbook) since 2014.

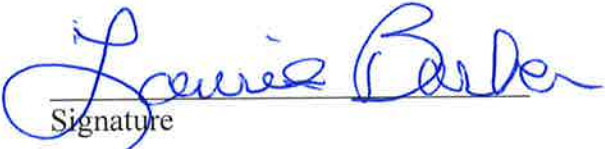

In narrative form, please summarize your relevant experience and qualifications to serve on the PASD Board:

I have been practicing law since 1990. I served on the Executive Committee for the State Bar Litigation Section from 2004 through 2007 and served as a member of the Complex Litigation Committee of the State Bar from 2002-2004. I collaborated/co-authored the CEB Book, California Civil Discovery Practice from 1991-2005. I also was a co-author for an article entitled Ex Parte Discovery Hearings in Coordinated Proceedings: The Wave of the Future, *California Litigation*, Vol. 16, No. 3, 2003. I have presented numerous continuing education programs on both discovery and probate issues, including programs for the PASD luncheons and the San Diego County Bar Association.

Please provide any other information you would like to provide to PASD members supporting your candidacy for the Board:

I don't mind working hard to put together great products for the PASD members.
